Liner Codes - 11 May 2022	<u>Presentation and updates on the SMDG Liner Codes List</u> **Focus of the codes list:** shipping companies in the container liner business: vessel operators, VSA partners, slot charterers, container operators **Not** included: leasing companies **Manual approval process** Not approved: liner codes that are used for different purposes as workaround for operational processes (e.g. distinguish full/empty, local/transshipment …). For this purpose there are other options available in the EDIFACT messages – please ask us! **Status update**: currently 261 companies/codes included	Information	Jasmin Drönner - Chair of SMDG codes lists - EUROGATE Container Terminal Hamburg
