Road Map to VGM Readiness

Outline

This Forum offers an opportunity to participants from the <u>Ocean Carriers and Terminals</u> sectors to exchange:

- Basic status on system readiness
- Mutual expectations carriers vs. terminal
- Agreed responsibilities of carriers and terminals, shared and divergent
- Streamlining opportunities
- Different use cases along the process chain
- Best practices for carriers and terminals

Main questions

- What are the main challenges and how to overcome them?
- What are viable contingencies in a scenario of incomplete VGM implementation post go-live?
- How can carriers and terminals better work together toward a common goal?
