

SMDG Code Lists

SMDG #75 Virtual Plenary Meeting, 25th January 2021

Jasmin Dröner, Chair of SMDG Code Lists

The SMDG Code Lists

- SMDG Terminal Codes List (TCL)
- SMDG Liner Codes
- SMDG HANDLING, STOWINS, ATTRIBUTES Code Lists
- SMDG Code List for DGS Attributes
- SMDG Code List for VGM Information
- SMDG Delay Reasons Code List

Recommendations

Always use the most recent version of code lists – independent of the EDIFACT directory version of the message → Recommendation No. 7

Use the SMDG codes in external communication with the benefit of reducing mappings
