Discussion Point

- **Integrate OOG, Special Cargo (and BB) into the existing DG Booking standard**
 - IFTMBF - Booking/Replacement
 - IFTMBC - Approval/Rejection
- **Special Cargo: Standardized commodity type**

→ Create new workgroup with partners

Special Cargo + OOG Booking, Request & Approval

- DCSA (eBooking) will enable standardized communication between shipper and carrier for Special Cargo booking.
- SMDG will develop Edifact solution for Special Cargo request and approval between container operator and vessel operator.
- Overlap: Both DCSA and SMDG will need clear definition of Special Cargo and commodities..

OOG & Special Cargo Cases

- Pre-Lashed (high priority)
- Break-Bulk (low priority)
- Non-DG Battery
- Flexitank
- Charcoal
- others (Cocoa butter, wet hides, ...)

PL required attributes

Type	Description
Weight	
unit of measurement for weight	
Container type	
container gross weight	
Overheight	
overlength front	
overlength rear	
overwidth right	
overwidth left	
unit of measurement for dimensions	
height of collapsed flatrack	
actual height of equipment	

Non-DG battery

Type	Description
commodity type	this should be standardized to enable automatic handling
special handling

unit of measurement for dimensions	
------------------------------------	--

height of collapsed flatrack	
------------------------------	--

actual height of equipment	
----------------------------	--

Other Open Points

- Process specifics?
- Latest replacement date?

Thank You
