

SMDG Recommendation Nr. 8

Empty Tank Containers with Residue

SMDG#77 Minutes

<p>Empty tank container with residue 20/04/2023 14:30 – 14:00</p>	<p>Jost MÜLLER starts by recalling clearly the definition of Empty tank container with residue(s) and its impact operationally (especially for DG).</p> <p>Discussion with the audience about the correct way to use it for DG, SMDG reassuring that the update in BAPLIE does not imply any change into the DG management.</p> <p>Note is taken that the presentation needs to be amended and link to be done with SMDG CDC workgroup.</p>		<p>Jost MÜLLER <i>SMDG</i></p>
